Re: **CHDO Technical Assistance**

Notice: **RED-12-28**

The recently published HOME Proposed Rule and potential changes to the HOME program will affect all CHDOs. Your input is essential to ensuring that you receive the support you need in creating affordable housing in your community.

In an effort to provide this support to CHDOs, IHCDA is currently in the process of evaluating its technical assistance and developing the Request for Proposals that will guide IHCDA's technical assistance for CHDOs over the next two years. This is your opportunity to provide feedback on your technical assistance needs.

A short survey is now available by clicking [here](#). The deadline to complete the survey is June 8, 2012.
